

DA40 Sauce Recipe

DA40 Sauce Recipe

Altitude dependent

Specific point
But depends on traffic

10 AGL
Idle
Fly level
to end of runway

5 AGL
Hold it off
Hold it off
Hold it off
If it doesn't feel right,
full throttle

Touchdown
Steer with feet
Stick back, into wind
(no steering)

GUMPS
Gas – Fullest tank, pump on
Undercarriage down and locked
Mixture Rich
Prop – on final
Seat Belts

* Do and say this, or Robert WILL fail engine.

Test of good pattern:
Can you land from
anywhere with no engine?

This is a sauce recipe. It
always works OK. You are
expected to modify it.
